

You will need: 2-3 players, playing board, a marker (one for each player) and a die

- 1) Place your markers in the top left corner of the board, where the mouse is sitting.
- 2) Rock, Rock Paper, Scissor to see who goes first
- 3) Roll the die - move the number of spaces indicated - both yellow and white spaces are counted. If you land on yellow your turn is finished. If you land on white answer - reading the complete number out loud and indicate your answer aloud then place your marker on the yellow space you believe to be true, then your turn is finished.
- 4) First student to the cheese to win the game.
