

Name: _____ Date: _____

Science Outcome:

	Excellent	Proficient	Basic	Not Yet	Incomplete
6-7.2. I can describe the location and movement of individual stars and groups of stars (constellations) as they move through the night sky.	I can comprehensively describe the location and movement of individual stars and groups of stars (constellations) as they move through the night sky independently.	I can thoroughly describe the location and movement of individual stars and groups of stars (constellations) as they move through the night sky independently.	I can describe the location and movement of individual stars and groups of stars (constellations) as they move through the night sky with support.	I cannot describe the location and movement of individual stars and groups of stars (constellations) as they move through the night sky at grade level.	There is not enough evidence to provide a grade on the learner outcomes.

	Excellent	Proficient	Basic	Not Yet	Incomplete
6-7.3. I can recognize that the apparent movement of objects in the night sky is regular and predictable, and explain how this apparent movement is related to Earth's rotation.	I can comprehensively recognize that the apparent movement of objects in the night sky is regular and predictable, and explain how this apparent movement is related to Earth's rotation independently.	I can thoroughly recognize that the apparent movement of objects in the night sky is regular and predictable, and explain how this apparent movement is related to Earth's rotation independently.	I can recognize that the apparent movement of objects in the night sky is regular and predictable, and explain how this apparent movement is related to Earth's rotation with support.	I cannot recognize that the apparent movement of objects in the night sky is regular and predictable, and explain how this apparent movement is related to Earth's rotation at grade level.	There is not enough evidence to provide a grade on the learner outcome.

ELA Outcomes:

	Excellent	Proficient	Basic	Not Yet	Incomplete
3.2.1.1 Select and Process - Use a variety of sources - I can locate information to answer research questions.	I can comprehensively locate information to answer research questions independently.	I can thoroughly locate information to answer research questions independently.	I can locate information to answer research questions with support.	I cannot locate information to answer research questions at grade level.	There is not enough evidence to provide a grade on the learner outcome.

	Excellent	Proficient	Basic	Not Yet	Incomplete
3.3 Organize, Record and Evaluate - Organize information - I can organize and develop ideas and information into a slide presentation with introductions that interest audiences and state the topic, sections that develop the topic and conclusions.	I can comprehensively organize and develop ideas and information into a slide presentation with introductions that interest audiences and state the topic, sections that develop the topic and conclusions independently.	I can thoroughly organize and develop ideas and information into a slide presentation with introductions that interest audiences and state the topic, sections that develop the topic and conclusions independently.	I can organize and develop ideas and information into a slide presentation with introductions that interest audiences and state the topic, sections that develop the topic and conclusions with support.	I cannot organize and develop ideas and information into a slide presentation with introductions that interest audiences and state the topic, sections that develop the topic and conclusions at grade level.	There is not enough evidence to provide a grade on the learner outcome.

	Excellent	Proficient	Basic	Not Yet	Incomplete
4.3 Present and Share - I can present information.	I can comprehensively present information independently.	I can thoroughly present information independently.	I can present information with support.	I cannot present information at grade level.	There is not enough evidence to provide a grade on the learner outcome.

	Excellent	Proficient	Basic	Not Yet	Incomplete
5.1 Respect Others and Strengthen Community - Relate texts to culture - I can identify ways in which oral, print and other media texts from diverse cultures and communities explore similar ideas.	I can comprehensively identify ways in which oral, print and other media texts from diverse cultures and communities explore similar ideas independently.	I can thoroughly identify ways in which oral, print and other media texts from diverse cultures and communities explore similar ideas independently.	I can identify ways in which oral, print and other media texts from diverse cultures and communities explore similar ideas with support.	I cannot identify ways in which oral, print and other media texts from diverse cultures and communities explore similar ideas at grade level.	There is not enough evidence to provide a grade on the learner outcome.
